

American Lincoln Parts

American Lincoln Parts - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are recognized within the business as providing durable and strong machinery that meets the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply machines, parts and warranty service for these types of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where results and efficiency make a difference. Lately, this floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
