

Trek Parts

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of staff likes new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

When considered necessary, the employees within TREK and its various dealer members in both parts and in technical support will be accessible. Among their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines ready and functioning day after day is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work as one to make them the leader in the business.
