

Fork Mounted Sweepers

Fork Mounted Sweeper - This particular attachment truly makes industrial sweeping jobs much easier to finish. The versatile forklift mounted broom is intended for use with either dry or wet material clean ups. It can squeegee water and push snow with ease. This attachment is usually utilized to clean trash from construction sites, docks, parking lots, warehouses and virtually anywhere it is considered necessary. The lift truck sweeper is a low maintenance attachment that make use of quick-tite fork products to easily connect to the lift truck.
