

Lull Telehandler Part

Lull Telehandler Part - Telehandlers by Lull have been providing load placement accuracy since nineteen fifty nine. The Lull telehandler can really help make the work easier and faster, whether the work entails transferring loads, positioning heavy steel or landing loads on scaffoldings. These units are available together with the patented Stabil-Trak stability system so as to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. A wide range of optional attachments is accessible for Lull telehandlers to help complete whichever job.
