

Advance-Nilfisk Part

Advance-Nilfisk Part - Think about how tiresome it will be to clean up your own house after throwing a big party, with no aid from cleaning machines. In the past, the time carpets and upholstery had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the state-of-the-art cleaning materials during that time.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Starting the company in 1906, he started to make motors to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's dream from the beginning was to own an international company selling goods worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by a single person. This creation came in a time where other cleaning equipment were massive and required 4 or more operators, thus, the Nilfisk C1 transformed everything and developed the manner we clean forever. The genius behind these very first cleaning machines remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing problem; things get filthy and have to be cleaned regularly, without a lot of effort.

Gradually but steadily, Nilfisk-Advance grew all through the years. During the nineteen eighties, this development really took place the time the business became a part of the NKT Group. Their new owners' ambition and focus made Nilfisk-Advance take a huge leap forward within the business, trying to be amongst the largest universal players in the market of professional cleaning equipment. Nilfisk-Advance is currently located in all parts of the world by gradually acquiring lots of small businesses so as to develop their product range and presence in new markets. They are proud to offer various cleaning solutions to meet every requirement.
